Notice of Spring Primary and Sample Ballots February 20, 2018

OFFICE OF THE WAUPACA COUNTY CLERK TO THE VOTERS OF WAUPACA COUNTY:

Notice is hereby given of a spring primary election to be held in Waupaca County on February 20, 2018, at which the officers named below shall be nominated. The names of the candidates for each office, whose nominations have been certified to or filed in this office, are given under the title of the office, each in its proper column.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence, if the voter presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Where Paper Ballots are Used

The voter shall make a cross (X) in the square next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote.

Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval or connect the arrow next to the write-in line.

Where Touch Screen Voting is Used

The voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If the voter spoils a **paper or optical scan ballot**, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a **touch screen** ballot at the voting station before the ballot is cast.

After Marking the Ballot

After an official **paper ballot** is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall deposit the voted ballot in the ballot box, or deliver the ballot to an inspector for deposit, and shall leave the polling place promptly.

After an official **optical scan** ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit.

After an official **touch screen** ballot is cast, the voter shall leave the polling place promptly.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

The following is a sample of the official ballot:

Information provided by the Wisconsin Elections Commission

WHEN CAN I REGISTER TO VOTE?

By mail. Up to 20 days before the election. Registration forms should be mailed to your municipal clerk. You can start your voter registration form online at <http://myvote.wi.gov>. Your form must be printed, signed, and mailed or delivered, to your municipal clerk. You must always provide a Proof of Residence document when registering. If you are registering by mail, you can use any of the forms of Proof of Residence except a residential lease.

Online. Up to 20 days before the election. Voters who have a valid State of Wisconsin Driver License or State of Wisconsin ID card issued by the Wisconsin Department of Motor Vehicles (DMV) can register to vote online at the MyVote Wisconsin website: <http://myvote.wi.gov>. To register online, the voter must enter a name, date of birth, Driver License or ID number and address that matches what is on file with the Wisconsin DMV. If all the fields match, the voter will be able to register to vote completely online without needing to print, sign or mail the form and without needing to send a proof of residence document. Voters who are not able to match their information with the information in the DMV databases will be given the option to register by mail (see instructions above).

In the municipal clerk's office. You may register in-person in your municipal clerk's office up until the Friday before the election at 5:00 p.m. or close of business, whichever is later. You must always provide a Proof of Residence document when registering to vote.

At the polling place on Election Day. You may register at the polls on Election Day. You must always provide a Proof of Residence document when registering to vote.

WHAT DO I NEED TO BRING TO REGISTER TO VOTE?

If you have been issued a State of Wisconsin Driver License or ID card that is valid, you must provide the number and expiration date. If your WI driver license is cancelled or expired; or your WI DOT-issued ID is expired, provide the number and the last 4 digits of your Social Security Number. If you have none of these documents, you will be able to indicate that fact.

You must provide a Proof of Residence Document when registering to vote in Wisconsin. A Proof of Residence Document is a document that proves where you live in Wisconsin.

Photo ID is never required when registering to vote. However, a Proof of Residence document is always needed when registering to vote in Wisconsin.

IS THERE ANYTHING ELSE I NEED TO KNOW ABOUT REGISTRATION?

Voters must reside at their address for at least 10 days by Election Day in order to register to vote. Voters who have moved within Wisconsin less than 10 days before the election must vote from their previous address, either by absentee ballot or at the polling place. Voters who have moved to Wisconsin from another state less than 10 days before an election are only eligible to vote in Presidential elections.

Wisconsin law no longer allows a "corroborating witness" to provide Proof of Residence.

You cannot register the Saturday, Sunday or Monday before an election, but **you can register at the polling place on Election Day.**
