The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter. If a voter is unable to state their name and address, an assistant may also do so for the voter.

Voting for President and Vice President

A vote for candidates for President and Vice President is a vote for the presidential electors of those candidates. A write-in vote for President and Vice President must designate the name of a presidential candidate. A write-in vote for a candidate for President only will be counted. A write-in vote for a candidate for Vice President only will not be counted.

Where Paper Ballots are Used

The voter shall make an "X" or other mark in the square next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote. When voting for President and Vice President, the voter shall make an "X" or other mark next to the set of candidates (ticket) for president and vice president for whom they intend to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall write in the names of persons of their choice in the spaces provided. On referendum questions, the voter shall make an "X" in the square next to "yes" if in favor of the question, or the voter shall make an "X" in the square next to "no" if opposed to the question.

Where Optical Scan Voting is Used

The voter shall fill in the oval or connect the arrow next to the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of their choice in the space provided for a write-in vote and fill in the oval or connect the arrow next to the write-in line. When voting for President and Vice President, the voter shall fill in the oval or connect the arrow next to the set of candidates (ticket) for president and vice president for whom they intend to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall write in the names of persons of their choice in the spaces provided and fill in the oval or connect the arrow next to the write-in lines. On referendum questions, the voter shall fill in the oval or connect the arrow next to "yes" if in favor of the question, or the voter shall fill in the oval or connect the arrow next to "no" if opposed to the question.

When using an *electronic ballot marking device* ("Automark," "Express Vote," "Clear Access" or "ImageCast Evolution-ICE") to mark an **optical scan** ballot, the voter shall touch the screen or use the tactile pad to select the name of the candidate of their choice for each office for which they intend to vote. To vote for a person whose name does not appear on the ballot, the voter shall touch the screen next to "write-in" and type in the name of the person of their choice. When voting for President and Vice President, the voter shall touch the screen at the set of candidates (ticket) for president and vice president for whom they intend to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall touch the screen next to "write-in" and type in the names of persons of their choice. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

Spoiled Ballots

If a voter spoils a paper or optical scan ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official, who shall issue a proper ballot in its place.

The voter may spoil a touch screen ballot at the voting station before the ballot is cast.

After Voting the Ballot

After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. The voter shall then deposit the voted ballot in the ballot box, or deliver the ballot to an inspector for deposit, and deposit the un-voted ballots in the discard box. The voter shall leave the polling place promptly.

After an official optical scan ballot is marked, it shall be inserted in the security sleeve, so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve or deliver the ballot to an inspector for deposit. The voter shall leave the polling place promptly.

After an official touch screen ballot is marked, the voter shall leave the polling place promptly.

REFERENDUMS

NOTICE OF REFERENDUM ELECTION November 5, 2024

NOTICE IS HEREBY GIVEN, that at an election to be held in the several towns, villages, wards, and election districts of the State of Wisconsin, on Tuesday, November 5, 2024, the following questions will be submitted to a vote of the people pursuant to law:

2023 Senate Resolution 71
Enrolled Joint Resolution

To renumber and amend section 1 of article III; and **to create** section 1 (1) of article III of the constitution; **relating to:** eligibility to vote in Wisconsin (second consideration).

Whereas, the 2021 legislature in regular session considered a proposed amendment to the constitution in 2021 Senate Joint Resolution 32, which became 2021 Enrolled Joint Resolution 13, and agreed to it by a majority of the members elected to each of the two houses, which proposed amendment reads as follows:

SECTION 1. Section 1 of article III of the constitution is renumbered section 1 (2) of article III and amended to read:

[Article III] Section 1 (2) Every Only a United States citizen age 18 or older who is a resident of an election district in this state is a qualified elector of that district who may vote in an election for national, state, or local office or at a statewide or local referendum.

SECTION 2. Section 1 (1) of article III of the constitution is created to read: [Article III] Section 1 (1) In this section:

- (a) "Local office" means any elective office other than a state or national office.
- (b) "National office" means the offices of president and vice president of the United States, U.S. senator, and representative in congress.
- (c) "Referendum" means an election at which an advisory, validating, or ratifying question is submitted to the electorate.
- (d) "State office" means the offices of governor, lieutenant governor, secretary of state, state treasurer, attorney general, state superintendent of public instruction, justice of the supreme court, court of appeals judge, circuit court judge, state senator, state representative to the assembly, and district attorney.

SECTION 3. Numbering of new provision. If another constitutional amendment ratified by the people creates the number of any provision created in this joint resolution, the chief of the legislative reference bureau shall determine the sequencing and the numbering of the provisions whose numbers conflict.

Now, therefore, be it resolved by the senate, the assembly concurring, That the foregoing proposed amendment to the constitution is agreed to by the 2023 legislature; 2 and, be it further

Resolved, That the foregoing proposed amendment to the constitution be submitted to a vote of the people at the election to be held on the first Tuesday of November, 2024; and, be it further

Resolved, That the question concerning ratification of the foregoing proposed amendment to the constitution be stated on the ballot as follows: "Eligibility to vote. Shall section 1 of article III of the constitution, which deals with suffrage, be amended to provide that only a United States citizen age 18 or older who resides in an election district may vote in an election for national, state, or local office or at a statewide or local referendum?"

EXPLANATORY STATEMENT AS TO THE QUESTION

The Wisconsin Constitution provides that "[e]very United States citizen age 18 or older who is a resident of an election district in this state is a qualified elector of that district." Wis. Const. art. III, § 1. That language is repeated in Wisconsin statute. Wis. Stat. § 6.02(1).

The referendum question would modify the language in Wis. Const. art. III, § 1 to provide that "only" a U.S. citizen 18 or older who resides in an election district may vote, and it would specify that only such individuals may vote in an election for "a national, state, or local office or at a statewide or local referendum." It also would add definitions of what "local office," "national office," "referendum," and "state office" mean. 2023 Wis. S.J. Res. 71.

A "yes" vote would vote to modify existing article III, section 1 of the Wisconsin Constitution to provide that "only" a U.S. citizen 18 or older who resides in an election district can vote "in a national, state, or local office or at a statewide or local referendum."

A "no" vote would vote not to change Wis. Const. art. III, § 1 of the Wisconsin Constitution.
