Public Hearing - Town of Dupont
October 20, 2026

Chairman Barnick called the Public Hearing to order at 7:10pm. Clerk Krueger provided proof of posting for this meeting. Chairman Barnick stated that the town was wanting to enact a temporary administrative moratorium on the acceptance, processing, and approval of land use permits, conditional use permits and rezoning for data centers. Dori Wilson asked if this was being brought up by the general public. Chairman Barnick stated that nobody has brought it up yet but the town is wanting to get something in place before that happens. It was questioned by the public how long the moratorium was for. Zoning Administrator Westphall stated it was for 12 months with an option to extend for a period of 6 months after. Martin McClone questioned why this was being done as data centers wasn't part of the permissible use. Zoning Administrator Westphal stated that according to Ordinance 1.7.1 – land use that are not specifically listed are not necessarily excluded from locating within a given Zoning District. **Chairman Barnick made a motion to approve Ordinance # 2026-05 – enacting a temporary administrative moratorium on the acceptance, processing and approval of land use permits, conditional use permits and rezoning for data centers. Supervisor Braun seconded the motion, motion carried on a voice vote. Chairman Barnick made a motion to adjourn. Supervisor Bruan seconded the motion, motion carried on a voice vote**.

Respectfully submitted,

April Krueger, Clerk
